Description:

Welcome to the new Peugeot Rifter bringing style, comfort and elegance to your driving experience.

Depending on your preference you can order a 5-speed manual gearbox or a 6-speed auto gearbox.

The Rifter is a 1.5 diesel engine offering a very economical fuel consumption and seating can be configured to use your lifestyle and purpose. It has a lightweight folding flat ramp at the rear of the vehicle for easy wheelchair access.

Its lowered floor conversion offers a spacious head height of 57 inches and can accommodate wheelchairs which are up to 31 inches wide meaning most wheelchair passengers are comfortable for their journey.

Like all our vehicles have top quality 4-point wheelchair restraint system and 3-point occupant seat belt fitted in vehicle.

FOR AN EASIER JOURNEY
